Price: Once a week rides \$50 per lesson

Time: 1 Hour and 15 minutes.

Pre Requisite Summer Riding Program.

Our in depth lesson program is for true horse lovers. This course includes horse care, barn chores, learning how to tack up your own horse and is an all around learning program. This course is offered all year round. This is our only program that allows scheduled and consistent rides. This program is a commitment to ride every week.

Summer Riding Program Mid April - the beginning of August

Ages 8-18

Price: \$50 per lesson.

Time: 1 Hour

Pre requisite: 2 or more Intro to horses.

Description:

This is our summer program that gets more kids riding while school is out. The amount of lessons available will be determined by how much time is available and the amount of kids in the program. Included is tacking up and brushing, as well as riding. Minimal chores may be included. Booking for this will need to be done online and will be based on availability.

Two Lessons will need to be booked that will not have riding first before the lessons can begin. Bookings for Lessons are available 21 days before the lesson.

Winter Riding Program -December - February

Ages 8-18

Price: \$50 per Lesson

Time: 1 Hour

Pre Requisite: Must have completed a summer of the Summer Riding Program.

This is our Winter Riding program. This program is not as much about riding as it is about learning about the horses. We will always ride, there will be more on the ground work, chores learning about the horses themselves and learning about the barn. Unlike the summer months sometimes the outdoor arenas are unusable. This will mean most lessons will be done in the indoor arena.

Youth Summer lunge Line Lessons (New)

May - Early August

Ages 6-7

Price: \$50

Time: 30 minutes

Pre Requisite- 1 Meet and Greet. No intro to horses is needed.

These are lessons for kids that are not old enough to start lessons but want to do more than just do a pony ride. These lessons only include riding. Kids will do their entire lesson on a lunge or lead rope. We will practice balance, trotting, posting and how to steer, stop and start the horse.
